RFP 19-03
LOUISIANA PUBLIC SERVICE COMMISSION
REQUEST FOR PROPOSAL ("RFP")
February 21, 2019

The Louisiana Public Service Commission ("Commission" or "LPSC"), in accordance with the requirements of the LPSC's General Order dated November 10, 2014 regarding the selection of contract employees to represent the Commission, (the "Contract Order"), issues this Request for Proposals ("RFP") to outside independent consultant who will assist the Commission in reviewing the issues related to the Commission's above-captioned audit. The Commission reserves the right to reject any proposal or decline to undertake this review at this time. Qualifying proposals will be placed on the March 2019 Open Session agenda for Commission consideration.

I. Overview

At the Commission's February 21, 2019 Business and Executive Session ("B&E"), Staff was directed to solicit a consultant to conduct an audit of the managerial and accounting practices of Dixie Electric Membership Corporation ("DEMCO"). DEMCO is a non-profit rural electric cooperative serving over 108,000 members in seven southeast parishes in Louisiana. Staff is seeking consultants to closely examine DEMCO's operating system, management activities, and its accounting practices.

II. Scope of Representation

Applicants will be assisting in-house Staff counsel as well as in-house auditing and utilities personnel in formulating issues list(s), drafting discovery requests and reviewing responses to such requests, conducting site visits and meetings as necessary, participating in open sessions wherein the matter is discussed and meeting with Commissioners as necessary. In addition, Applicant will be assisting in-house Staff in conducting interviews with select members of DEMCO management, current and former employees, Board Members, vendors, and/or contractors. Applicants will be responsible for drafting an audit report and filing testimony in support of the report should the Company contest the audit report. It may be necessary for the consultant to attend and participate in depositions and assist the Staff Attorney in drafting pleadings and other litigation documents should the matter proceed to a hearing.

All proposals shall include an outline of a plan of action for conducting the investigation, together with estimated timelines and separate fees and costs associated with the representation. However, in the event an applicant is chosen, the Commission and its in-house Staff shall have the right to determine how the tasks will be carried out. In addition, all proposals shall be accompanied by a professional firm résumé indicating the qualifications and experience necessary to meet the requirements of this RFP.

III. Period of Representation

RFP 19-03
The time estimated to complete the scope of representation is approximately 18 months. This estimate is intended to include the time necessary to have an adjudicatory proceeding should the Company dispute the findings of the audit. However, this is merely an estimate and the Commission makes no representations as to the accuracy of the Period of Representation.

IV. **Minimum Requirements**

To be considered, all applicants must meet the following minimum requirements *in addition to those provided* in this Commission’s General Order dated November 10, 2014. Applicants shall also, at a minimum, be experienced in the presentation of recommendations involving cooperative regulation, or other regulatory issues on administrative and judicial levels, including rendering expert testimony and being cross-examined, with respect to all of the issues addressed in this RFP and which are likely to arise in the proceeding, including but not limited to:

However, applicants shall only be allowed to charge for actual hours of work performed and costs incurred. If selected, Applicant cannot charge over the budget approved by the Commission. Furthermore, once selected, an Applicant’s rates and budget shall not be altered except by formal approval of the Commission.

VI. Conflict of Interest

Applicants shall prominently disclose current, as well as past employment, which could possibly result in a conflict of interest. In addition, applicants shall disclose matters in which they currently represent clients before the Commission.

VII. Billing Guidelines

As required by the November 10, 2014 General Order, all bills will be rendered monthly and shall specifically identify and describe all work performed, the person performing such work, the time and charge for such work, and shall additionally show the total amount billed to date and the authorized original estimate. Bills will be rendered in strict accordance with the Commission's guidelines. Expenses shall also be separately disclosed with proof of such expenses attached.

Expenses, where applicable, shall be reimbursed at state authorized rates as specified in the Travel Policies and Procedures Memorandum issued by the State of Louisiana, Division of Administration in effect at the time such expenses are incurred (“Allowable Expenses”).
