

LOUISIANA PUBLIC SERVICE COMMISSION

APPLICATION FOR INCREASE IN WATER AND/OR SEWER RATES

\_\_\_\_\_, Applicant, comes before the Louisiana Public Service Commission with a petition for approval to increase \_\_\_\_\_ rates for the reasons detailed in this application filing. The current rates authorized by the Louisiana Public Service Commission for \_\_\_\_\_ services performed by the Applicant are deemed insufficient and should be increased to meet increased in accordance with all permissible company operations.

As of the date of this application, \_\_\_\_\_ is a regulated \_\_\_\_\_ public utility, registered with the Louisiana Public Service Commission, authorized to provide \_\_\_\_\_ service to customers in \_\_\_\_\_ Parish(es), Louisiana. The Applicant currently provides the aforementioned services to \_\_\_\_\_ Residential Customers and \_\_\_\_\_ Commercial Customers. Residential customers average a monthly consumption of \_\_\_\_\_ gallons and Commercial customers average a monthly consumption of \_\_\_\_\_ gallons.

II.

The current rates for (*Water and/or Sewer*) service being charged by Applicant are:

	Type of Customer	Base Rate per # of gallons	Additional Rate per 1,000 gallons
A.	Residential		
B.	Commercial		
C.	Industrial		
D.	Misc.		

**NOTE: Utility may provide the requested information in any suitable form, such as a table or chart.**

APPLICATION FOR INCREASE IN WATER AND/OR SEWER RATES

III.

The proposed rates for \_\_\_\_\_ service that the Applicant seeks to charge are:

	Type of Customer	Base Rate per # of gallons	Additional Rate per 1,000 gallons
A.	Residential		
B.	Commercial		
C.	Industrial		
D.	Misc.		

***NOTE: Utility may provide the requested information in any suitable form, such as a table or chart.***

IV.

Applicant seeks a rate increase for the reasons contained herein. Applicant has attached a sworn statement verifying this Application and all attachments and/or exhibits hereto.

LOUISIANA PUBLIC SERVICE COMMISSION

APPLICATION FOR INCREASE IN WATER AND/OR SEWER RATES

V.

Applicant should identify whether the proposed rate increase is necessary to comply with other regulatory agencies standards, such as DEQ, EPA, DHH, etc. If so, Applicant should identify such agency and the fees and/or other requirements imposed by that agency.

***NOTE: Applicant is to attach supporting documentation of the agency's requirements to this application.***

VI.

Applicant should identify whether the proposed rate increase is to fund a capital improvement project(s).

***NOTE: If the increase is to fund capital improvements, the Utility shall provide a brief, yet detailed summary of such improvements, and include a line item budget, illustrating the total cost of the project and projected completion date of each phase of the project.***

VII.

Applicant has attached audited financial statements, including the income statement and balance sheet for the most recent accounting period (test year) and the previous twelve (12) months.

***NOTE: Attach the applicable documents to the applications as an exhibit***

VIII.

Applicant has filed the required annual reports with the Louisiana Public Service Commission for the previous three (3) years. If the applicant has any outstanding annual reports, the Utility shall submit the required reports and applicable late filing fees in conjunction with this application.
